Subject: Bridgman Prayer Update April 2019

Praise:

- 1) A nice visit from our son Jeffrey and daughter in law Hannah
- 2) A blessed Spring Prayer Conference wit our fellow TEAM missionaries
- 3) Violette's younger sister is fighting stomach cancer, but she has been lined up with a nurse friend and doctor who can help her. We were considering a trip to the USA to see her for the last time, but things look better now.
- 4) Paul got to teach an English Bible Class and preach from the same passage last Sunday and many attended the class and worship service.

Pray:

- 1) Our outreach to children on Saturday morning starts this week. Pray for kids and moms who are seeking the Lord.
- 2) Pray for healing for Violette's younger sister. She is the caregiver for her family and would be missed a lot.
- 3) Pray for Paul to continue to get better and get off of pain medication
- 4) Pray for the salvation of several of our church attenders who haven't trusted Christ yet and for our English students.
