

# Daryl & Marlene Bussert March Update

---

**Month:** March 2019

**Missionary:** Daryl and Marlene Bussert – JAARS International Aviation Safety

**Location:** Staging from JAARS, Waxhaw, NC

## Praises

- We thank God that the Safety and Quality Assurance seminar at MAF (Mission Aviation Fellowship) in Nampa, ID was very relevant and beneficial.
- We are thankful that we were able to get our two children Merrel and Darla out with us to WA State for my sister's funeral that was so unexpected and sudden.
- Even though the unexpected home-going of my sister, Charlene, was a sad event, family, church and community gathered to honor not only her but her Lord that she served so faithfully

## Requests

- Please pray as Glenn, Marlene and Daryl have several teaching assignments in our Aviation Pre-Field Orientation classes in March. Pray that we will keep our presentations relevant and encouraging for our new people.
- Please pray that the honor given to God that was so well expressed to community and family at my sister's funeral will encourage those needing to draw near to God to do so.
- Please continue to pray that God will continue to give wisdom, guidance and meet our needs to respond appropriately to the events of life and ministry. This year has started out with many unanticipated challenges. I believe we are weathering them acceptably, but we certainly need to keep close to what God wants for and from us.
- Please pray that the bad cold/flu bug Daryl picked up on the trip home from Boise will be overcome quickly.

Thanks for being on the team,
