Subject: Last Update of 2018 for Genesis University

GENESIS SOUTH AFRICA
Christian University Education

Dear Friends,

Today is the last day of 2018! Just saying those words conjures up two instant emotions. First, where did 2018 go? I feel like I blinked and an entire year just went by! Second, I'm super excited for 2019!

On this last day of 2018, Marion and I are in Malawi, Africa. We spent Christmas with all of our 8 kids, 3 daughter-in-laws and 3 of the most adorable grandkids in the history of grandchildhood. Tonight we will all get together and celebrate the beginning of a New Year!! But first, our entire clan will get together for a family photo!!

Two weeks ago Steve was in South Africa meeting with pastors, educators, Christian businessmen and potential SA donors. We will return to South Africa

on January 9-14 to continue preparing the way for our family to move to Johannesburg full time with Genesis University.

Please join us in prayer that 2019 will be a year of blessing for Genesis University South Africa. Please pray that God will raise up financial supporters to assist with the start up costs of SA's first and only Christian liberal arts university! Please pray that God will raise up believers all over the world to participate in this amazing ministry. And please pray that whatever we do or accomplish in 2019 will bring God the glory He deserves!

Today is the last day to give to Genesis University in 2018. We need your prayers and support to raise the funds to make this dream a reality. Every dollar we raise from friends and supporters like you goes to start up expenses.

Thank you for your prayerful consideration of a year end tax-deductible gift to Genesis University South Africa.

Happy New Year to you and your loved ones!

His, yours,

Steve Spencer

Director, Genesis University South Africa
