Discussion Questions

3. How does this passage (5:1-6:8) make clear the connection between sin and our mortality?
4. What does 6:5 teach us about the depravity of our hearts and the need for a Savior?
5. How do the themes of Creation, Fall, and Redemption appear in these two chapters?

Going Deeper

1. As you've seen and studied the growing depravity of man's heart in chapters 3 through 6, what has the Lord been teaching you about your own heart and sin?
2. What has God been teaching you about His promise of grace and redemption? How has that been affecting your daily walk with Him?
