The McIntyre Prayer Enquirer

Dear prayer supporters,

Thank you for your sacrificial prayers and financial partnership that make our ministry in Taiwan possible. Here's how you can pray.

1) Praise God for our growing youth group (pictured above). For now, it meets once a month and is composed of all girls! Pray for these youth to come to know Christ and for our coworker Rachel (pictured center back), who is leading the group.

2) We are excited about the upcoming baptism on Easter Sunday. Pray for Shuhua to grow in her faith and for her baptism to be a great testimony to the non-Christians who attend.

3) Praise God that Jackie (pictured below) has been willing to study the Bible with Thomas. Pray for him to turn away from the local idols and temple parties that he finds "fun."

4) We might be making some changes to our park ministry in the future to improve its effectiveness. Praise God some church members are beginning to be more fully invested in the ministry. Please pray that Jennifer would be able to make some new non-Christian contacts even though she is more focused on discipleship of our leaders at the moment.

In Him,

Thomas & Jennifer (see pictures below)

Our Friday night adult Bible study continues to do well as we go through a discipleship course.

Our church averages about 30 in regular weekly attendance.

Jennifer helped Ashlee and Tyler grow their own strawberries!
