Discussion Questions

1. What are some of the ways that people “suppress the truth” about God?
2. There is a progression of thought in v.7-11. What are the descriptions of God’s Word that stand out to you?
3. What is the difference between “hidden faults” and “presumptuous sins”? How does this inform our own personal conviction and repentance?

Going Deeper

1. What is precious to you personally about God's Word? What are some of the passages of Scripture that have been the most helpful to your spiritual growth?
2. What are the "hidden faults" you need to confess to your brothers in Christ? Are there any "presumptuous sins" you need to confess and repent of?
