Subject: February Report

On Feb 3 I conducted a funeral at First Evan Memphis.
My return to Moscow was twice delayed so I didn't leave Memphis until February 4.
On Feb. 9 I left Moscow for a Mid-East venue (country of Paul's First Journey).
I preached there on February 11 and 18.
From Feb 12-16 I taught Acts 1-16 to students from a closed neighboring country.
My son arrived on the 18th to teach Philippians to the same group for a week so I remained in country to serve him and to help answer questions from the students.
There has been a fairly serious security breach and I ask for prayer for safety for this group whose friends and former students have been arrested in the home country.
On Feb. 24 I flew back to Moscow the same day Jane arrived from Memphis.
On February 25th I preached from 2 Samuel 23 at International Christian Fellowship Moscow.
Thanks for helping.
Pls pray for some back trouble plus acid reflux from a hiatal hernia which will likely require medical attention in a neighboring country next month.
Blessings
Ronnie for Jane
