### **Praise:**

Partnering with others we were able to raise funds to help provide stoves and mattresses for over 50 families in refugee camps. The camps were flooded during a huge snow storm last month.

The national Christian organization we are working with was able to purchase and deliver the stoves and mattresses.

Refugee Camp after a storm

**Pray:**

It is still winter and cold in many of the camps in Greece, Turkey and other Middle East countries. Pray for the needed supplies and a continued witness.

Thanks for praying, **Bob and Janie**
